Re: Offer of Development Agreement pursuant to Local Government Code Secs. 43.016 and 212.172 for land designated as agricultural, wildlife management, or timber use for ad valorem purposes and Required Disclosures

Dear Property Owner,

The City of Temple (City) has received your request to annex approximately 6.867 acres of land in the City's extraterritorial jurisdiction. Texas Local Government Code ("LGC") § 43.016 requires a municipality to offer a property owner a development agreement under LGC § 212.172 prior to annexation that would guarantee the continuation of the extraterritorial status of the property and authorize the enforcement of all regulations and planning authority of the municipality that do not interfere with the use of the land for agriculture, wildlife management, or timber purposes. These development agreements are sometimes commonly referred to as "non-annexation" agreements. Local Government Code § 43.016 applies to properties appraised for ad valorem tax purposes as land for agricultural use, or wildlife management, or timber uses under the Texas Tax Code.

The City has determined that your property meets the requirements in LGC § 43.016; therefore, the City is offering to enter into a development agreement under LGC § 212.172 for your property.

**Local Government Code § 212.172(b-1) Disclosures:**

You are not required to enter into this agreement. The City has the authority to annex your land under LGC § 43.0671 et seq.

The process for annexing your land is as follows: if you reject the development agreement, you and the City will begin to negotiate a Municipal Services Agreement (MSA) for City services to your property. Once the MSA is agreed and executed, City Staff will notify the applicable school district and other public entities of the annexation. Additionally, a notice for a public hearing will be published in the newspaper and posted on the City's website 11 to 20 days prior to

the public hearing. A public hearing and the first reading of the annexation ordinance will be held at the City Council meeting on the date published in the notice. The ordinance approving the annexation will be adopted at its second reading at a City Council meeting approximately two weeks after the public hearing and first reading.

This annexation requires your consent.

If the City and you enter into the offered development agreement, the City waives its immunity from suit for the purpose of adjudicating a claim for breach of the agreement.

Please indicate below whether you accept or reject the development agreement and return this letter as soon as possible in the envelope provided. Please feel free to contact me with any questions or concerns.

Sincerely,

Mark Baker  
Principal Planner

Please indicate whether you accept or reject the development agreement and would prefer to proceed with annexation.

       I accept the Development Agreement and request to retain my extraterritorial status.

  X   I reject the Development Agreement and request annexation by the City of Temple.
