DEPT./DIVISION SUBMISSION & REVIEW:

Kevin Beavers, Director of Parks and Recreation
Leah Anderson, Assistant Director of Parks and Recreation

ITEM DESCRIPTION: Consider adopting a resolution authorizing the purchase and installation of pool equipment from Landmark Aquatic of Progressive Commercial Aquatics, LLC, in the estimated amount of \$52,070.

BACKGROUND: Approval of this item will allow for the purchase and installation of an ultraviolet (UV) system at Lions Junction Family Water Park located at 5000 S. 5th Street. This unit will replace the aging UV system currently used at the facility. UV systems are important for water quality at public pools because it serves as a secondary defense against bacteria, viruses, and algae. While chlorine disinfects and breaks down contaminants in the water, UV treatment works alongside chlorine to disable and sanitize harmful organisms.

Progressive Commercial Aquatics has been awarded contract #701-23 by BuyBoard, which staff is recommending using for this purchase. Contracts awarded by BuyBoard have been competitively procured and meet the statutory procurement requirements for Texas municipalities.

Delivery and installation of the equipment is expected to be complete in 4 to 6 weeks.
