ITEM DESCRIPTION: Consider adopting a resolution authorizing a construction contract with B-Corp Utilities, LLC of Gatesville for the construction of the South 10th Street Waterline in the estimated amount of \$433,703.26.

BACKGROUND: Approval of this item will allow for the execution of a construction contract with B-Corp Utilities, LLC for the construction of the 10th Street Waterline.

As shown on the attached bid tabulation for Bid #52-01-24, on May 28, 2024, the City received three bids for this project. The base bids ranged from \$433,703.26 to a high of \$882,325.

The project replaces and upsizes an existing waterline that is in poor condition. It also reroutes older services to standard locations. A small section of sewer main will also be relocated as part of this project.

As indicated on the attached Engineer’s Letter of Recommendation, B-Corp Utilities, LLC was the low responsive bidder. It is the recommendation of Clark Associates and the City staff to award the bid as outlined in the Engineer’s Letter of Recommendation and Bid Tabulation.

Construction of this project is expected to be complete by November 1, 2024, based on 60 designated construction days.
